

## Reminder of Rule and Procedure Changes (from Fall 2025)

*Note: This document has been updated more recently than the league's Rules of Play and Captain's Cheat Sheet. In the case of any direct conflicts among the documents, the more recently updated document takes precedence.*

### DartConnect and Score Reporting

- DartConnect will be our primary source of scoring — keeping true records in the app is of utmost importance! Some best practices:
  - Only play under your own name/profile
  - Select the correct “winning” dart (1st, 2nd, or 3rd)
  - Ensure tablet connects to Wifi to upload the scores during or soon after match
- Email picture of paper scoresheet to [scvda-results@googlegroups.com](mailto:scvda-results@googlegroups.com) after the match
  - Track names and wins
  - No need to track highlights
  - This allows us to have a backup in case of any DartConnect issues
  - No more match penalty points for late submissions, but paper scoresheets are referenced in case of conflict or DartConnect data incompleteness
- Having issues? Call/text a Board member for help. We can help with:
  - Adding a sub last-minute (don't have subs play under someone else's name!)
  - Pulling the current schedule
  - Triaging any DartConnect issues

### Playoff Eligibility

- You must play half of the weeks you're on the roster (or subbed) (rounded up)
  - E.g. If there are 7 weeks left, you must play at least one leg (recorded in DartConnect) in 4
    - Team game with >4 people won't count because names aren't tracked in DartConnect
  - If you replace someone on the roster, their played weeks count for your playoff eligibility

### Board Contact Info

We can help you with any DartConnect issues you run into!

- John Penix, President: 650-215-0958
- Veronica Cruz, Vice President: 661-492-1495
- Ross Davies, Competition Secretary: 408-702-7556
- Saul Manzo, Secretary: 858-366-3824
- Robin Gonzalez, Treasurer: 919-579-2948
